

MHS COVID-19 PLAN

All MHS students are expected to complete assignments virtually.

MHS Virtual School Students:

- If you are currently an MHS virtual student or take a virtual class through Edgenuity then you can continue to work on those courses. We have reduced the amount of required work in these courses.

MHS Students:

- Core subject area teachers (English, Math, Science, and Social Studies) have Google Classroom accounts created and Remind (notification system) accounts created as well. They will upload assignments to Google Classroom and students will be expected to complete assignments virtually. Please find the google classroom codes and remind codes in the image below.
- There are two teachers (Lauren Strack and Rusty Mercer) who are using Edgenuity to teach classes. Login information for students in those classes has been emailed to the student email.
- Elective classes (all classes that are not English, Math, Science, or Social Studies) will be posting “enrichment activities” or partnering with a core subject teacher on an assignment. You may not see as much information in these classes as a core subject class.

Device Pick Up:

1. The district will have device & supply pick up days and times at the Miami Activity Center **based on the last name of parents/guardians** at the following times:

Thursday, April 2 nd	A-F 9:00-Noon	G-M 1:00-4:00 PM
Friday, April 3 rd	N-S 9:00-Noon	T-Z 1:00-4:00 PM
Monday, April 6 th	OPEN PICK UP 9:00 – Noon	

Device Support:

1. Email: help@miamips.net
2. Call-in number for tech support 918-542-3192 ext. 1100

Student Counseling Services

This is an unprecedented time for everyone throughout the country and there is a lot of uncertainty. During this difficult time, it can be very stressful for both students and their caregivers. As adults, this is a very stressful time. However, imagine being a child and your entire world is turned upside down. This is a very scary time for many children and adolescents.

At GLMHC, we are committed to helping during this time. We are offering services through video conferencing capabilities as well as support by telephone. We will walk families through this process and help them get the services they need. If you know of a child or family that is in need of services, please click on the link below and submit a referral. We are here to help!
